**Badgerblood** Steven Monson 2021-04-13 Few dare venture into the Borwood Timberland—a vast forest steeped in sky-piercing trees, demon creatures, and legend. Few, except Kor. An ancient gift pulses in his veins. The blood of shifting kings and queens flows through him. But he has forgotten his past and his lineage. Oblivious to his power, blind to his gift, his nightmares hold him captive. Now a tyrant wants him dead. When a strange, amber-eyed girl braves the forest in search of a rare flower and encounters a borlan, Kor has a choice: run, or face the spined demon-beast to help her. His decision sparks a chain of events that sends him to rot in the salt mines of Perabon and pits him against a ruthless mercenary. His path awakens his gift, recalls his past, and unveils a murderous intrigue. *Badgerblood: Awakening* is the first book in a new YA fantasy series. It is a tale of adventure, peril, and perseverance with plenty of humor and intrigue and a sprinkle of magic and romance. The world is full of strange creatures and unique vegetation, and brimming with a wide assortment of characters ranging from tyrannical to quietly heroic. The protagonist has a shapeshifting power he doesn't fully realize and no clear memories of his heritage or life before the forest. A dangerous encounter takes him from his home and sets him on an even more dangerous path to discovery. Praise for *Badgerblood*: *Awakening* From Early-Access Readers: "Badgerblood is full of intrigue, magic, and adventure. I found it difficult to put down and could hardly wait to see what new pursuits befell Kor. Monson's writing style captivates the reader from the beginning, leaving the reader wanting more. I look forward to reading future *Badgerblood* books."--Coreen H. "Badgerblood was a fun read from start to finish. S.C. Monson has done a great job crafting an original fantasy novel with rich descriptions and a gripping plot. With *Badgerblood's* plot woven around an original fairytale, S.C. Monson's writing style reminds me of Megan Whalen Turner. Shannon's writing flows well and is full of witty dialogue."--Michelle R. "I need help, and you're going to give it." "What the hell are you talking about?" "I've got a situation. I need someone who isn't afraid of murder and mayhem." I should have charmed her, offered to help and maybe it would have settled it, but I was too mad to even consider it. "Help you? Over my dead body!" She shrugged. "We can do it that way, too." She took out her phone. "I'll call you soon, hopefully within the hour. If you still refuse, I call Smith." The eyes were hard. "I'd rather not shop you, because I hate that bastard, but I will if you make me." I gave her my number. I mean, I wanted to kill her, but in London they notice things like bodies in the street. **Harsh Line** Ann Gimpel 2020-04-13 My very existence is under attack. I've kept a low profile, told myself the craziness sweeping the world would pass me by. Yeah, it was wishful thinking, actually an outright lie, but it's kept me sane. I've been hiding out forever in one guise or another. Currently, I run a nightclub.

Ascent is an "ask me no questions, and I'll tell you no lies" haven. For everybody. I'm a Vampire. Far be it from me to judge. My closest ally is a shapeshifting dire wolf. I adopted him when he was a scrawny puppy, but I'm getting ahead of my tale. The fragile détente between supernaturals and humans has crashed and burned. I can't avoid the truth any longer. Lucky for me, mortals don't know exactly what I am. When I moved to Seattle, some vampiric sixth sense urged me to play my cards close to my vest, but I'm done burying my secrets. And my power. It's past time for supernaturals to get over their stupid infighting. Meh. So what if Witches hate Druids? Or Fae never deal with Sorcerers? We have to pull together, or we'll have no chance at all. Not that it's likely, but if any mortals see the light and sign up for our side, we'd damn well better welcome them. I'm Ariana Hawke. No more skulking in the shadows for me.
