Surviving Religion 101

Michael J. Kruger 2021-03-22
“I can’t imagine a college student—skeptical, doubter, Christian, struggler—who wouldn’t benefit from this book.” —Kevin DeYoung For many young adults, the college years are an exciting period of self-discovery full of new relationships, new independence, and new experiences. Yet college can also be a time of personal testing and intense

questioning— especially for Christian students confronted with various challenges to Christianity and the Bible for the first time. Drawing on years of experience as a biblical scholar, Michael Kruger addresses common objections to the Christian faith—the exclusivity of Christianity, Christian intolerance, homosexuality, hell, the problem of evil, science, miracles, and the reliability of the Bible. If you’re a student dealing with doubt or

wrestling with objections to Christianity from fellow students and professors alike, this book will equip you to engage secular challenges with intellectual honesty, compassion, and confidence—and ultimately graduate college with your faith intact.

The Death of Ivan Ilyich Leo

Tolstoy 2020-01-14 *The Death of Ivan Ilyich* - first published in 1886, is a novella by Leo Tolstoy, considered one of the masterpieces of his late fiction, written shortly after his religious conversion of the late 1870s. "Usually classed among the best examples of the novella", *The Death of Ivan Ilyich* tells the story of a high-court judge in 19th-century Russia and his sufferings and death from a terminal illness. Ivan Ilyich (Ilyich is a patronymic, his surname is Golovin) is a highly regarded official of the Court of Justice, described by Tolstoy as, "neither as cold and formal as his elder brother nor as wild as the younger, but was a happy mean between them—an intelligent, polished, lively, and agreeable man." As the story progresses, he becomes more and more introspective and emotional as he ponders the reason for his agonizing illness and death.

practical guide to serving God in the local church. Each compelling entry is set up to finish the sentence that begins with the book's title. For example, Ministry Is . . . "Casting Crowns at the Feet of the Worthy One," "Swimming Upstream (or It's Not Getting Any Better)," "Becoming Known in Hell," "Loving the Bride," "Letting Integrity Do the Teaching," and so forth. Throughout, Earley and Gutierrez stay focused on making the reader "a spiritual change agent, a difference maker, and impact player for Jesus Christ."

Holy Envy Barbara Brown Taylor 2019-03-30 The renowned Christian preacher and New York Times bestselling author of *An Altar in the World* recounts her moving discoveries of finding the sacred in unexpected places while teaching world religions to undergraduates in Baptist-saturated rural Georgia, revealing how God delights in confounding our expectations. Christians are taught that God is everywhere—a tenet that is central to Barbara Brown Taylor's life and faith. In *Holy Envy*, she continues her spiritual journey, contemplating the myriad ways she encountered God while exploring other faiths with her students in the classroom, and on field trips to diverse places of worship. Both she and her

students ponder how the knowledge and insights they have gained raise important questions about belief, and explore how different practices relate to their own faith.

Inspired by this intellectual and spiritual quest, Barbara turns once again to the Bible for guidance, to see what secrets lay buried there. Throughout *Holy Envy*, Barbara weaves together stories from her classroom with reflections on how her own spiritual journey has been challenged and renewed by connecting with people of other traditions--and by meeting God in them. At the heart of her odyssey is her trust that it is God who pushes her beyond her comfortable boundaries and calls us to "disown" our privatised versions of the divine--a change that ultimately deepens her relationship with both the world and with God, and ours.

The Last Christian Generation
Josh McDowell 2006 The research on the current generation of young people reveals an alarming fact: they have redefined what it means to be Christian. The majority of our church-ed young people do not believe Christ is the Son of God, do not believe the Holy Spirit is a real entity, and think 'doing good' earns them a place in heaven. And just as disturbing is the fact that their attitudes and behavior are virtually no different than those of non-Christians. In this defining message of his 40 years of ministry, Josh McDowell strikes at the heart of the problem and offers a clear solution. "We must bring this new generation face to face with who Christ really is,"

Josh explains. "They know the facts, but they don't know Him. They are believing distorted views of Christianity. This means we must first model Christlikeness to them and then continually lead them through a basic spiritual formation process that sets them on a solid foundation for building a life that is authentically Christian." Reintroduce the real and relevant Christ to your young people, lead them through the process of Christlikeness and you may very well ignite a spiritual revolution for an entire generation.

Faith Unraveled Rachel Held Evans 2014-04-08 From New York Times bestselling author Rachel Held Evans: a must-read for anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In Faith

Unraveled, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, Faith Unraveled is a profoundly moving, fearlessly honest, and relentlessly hopeful story of survival. This book was previously titled Evolving in Monkey Town.

Concentric Circles of Concern

Carolyn T. Ritzman 1999-09-01
In this stylish re-issue of W. Oscar Thompson's classic book on evangelism, Thompson shows Christians how to spread the love and good news of Christ by building and repairing personal relationships. Too often the only kind of evangelism encouraged is the preaching to strangers, anonymous crowds, and foreign countries. This book hits readers where they live, teaching them that the most effective way to witness is through a simple plan of meeting the needs of close family first, then friends, and then all others. Published posthumously, this book is a living testament of the brilliance of Oscar Thompson and his innovative method. It will be a perfect guide to lifestyle evangelism for church study groups, conferences, and the classroom.
