A Dominant Fallen
Lena Black 2014-10-31
Gabrielle Hyde and Damian Hunt were ready to create a life together. But, as determined as they were to build a future, the demons they fought to overcome were just as determined to destroy it.As Hunt struggled to find the strength to trust Elle with his past, it abruptly collided with the present, forcing Elle to make the decision to walk away from the love of her life and, possibly, her only chance at true happiness.As the two attempt to find their footing, a dark secret larger than either Damian or Elle could have imagined lurks in the shadows, waiting to make itself known...Will their love survive? Will Elle's desire to protect Damian from their shattered pasts tear them apart, or will it make them stronger? Will Damian find his way back to his heart, or will he remain...A Dominant Fallen

Complete Guide to Reflexology
Ruth Hull 2020-11-30
Written in a clear, no-nonsense style, this is the ideal textbook for students of reflexology up to levels 2 and 3Designed for use both in the classroom and as a home study resource, it provides all the information necessary to meet or exceed the curriculum requirements of all the major awarding bodies.Its benefits include:
i meets the current National Occupational Standards for reflexology;i meets the standards required by all the main awarding bodies;
i suitable for levels 2 and 3;i outlines each body system, explaining how, when, and why to work the reflexes;
i includes chapters on hand reflexology and meridian therapy;
i comprehensive pathology of all body systems;
i detailed and accurate anatomical drawings;
i revision and multiple choice questions for each chapter;
i study outline at the end of each chapter;
i covers current theories and philosophies;
i explores other complementary therapies.This book is the perfect complement to Ruth Hull's companion text, The Complete Guide to Reflexology Workbook, which guides students through a series of self-revision notes, exercises and mock exam papers all designed to encourage revision, understanding and confidence in practising reflexology.

Effective Presentations 1995

Your Hands Can Heal You
Master Stephen Co 2007-11-01
What if one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you -- with the "energy medicine" of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural, vital energy -- which is also called prana -- to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements; energetic hygiene, the practice of keeping your personal energy tank clean and full; breathing; and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion and colds, menstrual cramps, even depression and stress-related disorders, is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, Your Hands Can Heal You demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in Your Hands Can Heal You as in the popular Pranic Healing workshops. Additionally, they present, for the first time in any book, the Grandmaster's special modifications to the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. This exciting new mind-body health reference proves that you can heal yourself -- with your own two hands.

A SECRET SORROW
Karen Van Der Zee 2015-04-13
After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.

Wastewater Treatment Systems
Gustaf Olsson 1999-05-31
This is a book for those operating and studying biological wastewater treatment plants. It introduces the state-of-the-art in process systems analysis (modelling and simulation, monitoring and diagnosis, process control and instrumentation) and in particular its application to wastewater treatment. While the emphasis is on biological nutrient removal, there is discussion of anaerobic treatment, and the principles apply to any treatment process. For the computer literate there is also a collection of MATLAB programs and functions that are mentioned throughout the book. They will run on both the professional and student editions of MATLAB Version 5. Contents
Modelling Plant Dynamics, Basic Modelling, Advanced Modelling
Empirical or Black-Box Models, Experiments and Data Screening, Principles of Parameter Estimation, Fitting and Validating Models, Simulators
Diagnosis
Diagnosis - an Introduction, Quality Management, Model Based Diagnosis, Knowledge Based Systems
Control Goals and Strategies, Disturbances
Manipulated Variables, Feedback Control, Model Based Control, Batch Plant Control, Plant Wide Control, Benefit Studies
Instrumentation
Primary Sensors, Analysers
Actuators and Controllers
The Future

Research
Elaine R. Monsen 2007-09
Evidence-based practice depends on well-designed, well-executed research. Now in its second edition, this highly respected guide to dietetics research has been written and edited by the foremost experts in the field. As a guide, this book is invaluable to new and experienced researchers alike. As a reference, Research: Successful Approaches provides practical observations that will make research accessible to all readers.

Wyoming Strong
Diana Palmer 2014-10-28
When Wolf Patterson and Sara Brandon, who have been enemies for years, form a tentative truce due to their neighboring ranches, they find themselves, instead of constantly falling out, falling in love against the beautiful backdrop of the Wyoming plains. Original.

Writing the Natural Way
Gabriele L. Rico 1983
Shows all writers how effective writing can beas natural as telling a story to a friend, and as easy as daydreaming.

Operations Management
Roger G. Schroeder 2007

Management Information Systems
James A. O'Brien 2002-01-01
This book is a comprehensive, E-Engineered revision that integrates E-Business and E-Commerce into every chapter and every case making it the most current and up-to-date MIS text in the market. Managing IT in the E-Business Enterprise, 5E contains 14 chapters (down from 15 chapters and 2 appendices in 4E) with more case studies and theory throughout, making it most appropriate for upper-level (junior/senior or graduate) business students who are or will become managers, entrepreneurs and business professionals in E-Business enterprises. By including a multitude of real world cases, in-text examples and exercises, organizing chapters into a simple five-area framework, and integrating E-Business concepts into all chapters, the text will help business students learn how to use and manage IT to conduct E-Commerce, improve decision making, and gain competitive advantage in the fast-changing real world of global business.

Unworthy
Anneli Rufus 2014-05-15
“Self-loathing is a dark land studded with booby traps. Fumbling through its dark underbrush, we cannot see what our trouble actually is: that we are mistaken about ourselves. That we were told lies long ago that we, in love and loyalty and fear, believed. Will we believe ourselves to death?” —from Unworthy
As someone who has struggled with low self-esteem her entire life, Anneli Rufus knows only too well how the world looks through the eyes of those who are not comfortable in their own skin. In Unworthy, Rufus boldly explores how a lack of faith in ourselves can turn us into our own worst enemies. Drawing on extensive research, enlightening interviews, and her own poignant experiences, Rufus considers the question: What personal, societal, biological, and historical factors coalesced to spark this secret epidemic, and what can be done to put a stop to it? She reveals the underlying sources of low self-esteem and leads us through strategies for positive change.

With God in the Crucible
Peter Storey 2010-09-01
Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible. But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ, as church leaders led, people lifted high the cross, and they marched into the uncertainty that still prevails. Here is a time and place where the call to risky discipleship was answered not with whimpers, whines, and excuses, but with the power of faithful Christians living out their call. This book illustrates what it can mean to faithfully answer the call to discipleship and God's service. Many people wonder if they would be able to stand up for their faith if it meant great personal sacrifice or the sacrifice of people they love. They wonder what they would risk for their faith, if anything. In the United States where cost/benefit analysis is a popular way to assess risk, many Christians wonder if they might not have to stand alone, because too many see the risks as too costly. As suggested by the title, this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993. The original audences ranged from the all-white Central Methodist Church in Johannesburg, to the South African Council of Churches, to the nation of South Africa, and to the world. All of these sermons and addresses are directly related to specific historical events: security police confrontations, beatings, and tear-gassings in churches around the country of South Africa; an imposed State of Emergency; the murder of 14-year-old Stompie Sepie by Winnie Mandela's thugs; and the violent jockeying for power between Mandela's African National Congress, Chief Mangosutho ButheIizli's Inkatha Movement, and F. W. de Klerk's regime. The book offers the full perspective of what it means to speak truth, empower people to stand for the truth, and to pastor souls during times when living truth seems almost impossible. Key Features: 1. Foreword by Desmond Tutu 2. 15 chapters, each including a brief description of the original context, the sermon and its connection with the present, and a prayer 3. Epilogue by Will Willimon

The Painter's Methods and Materials
Arthur Pillans Laurie 2020-07-14
“The Painter’s Method and Materials” is a comprehensive guide to all things painting, dealing with everything from how to use pigments in tempera to water-colour, mural painting, the theories of light and colour, and much more. This timeless volume will prove to be an invaluable resource for painters both new and old, and it would make for a marvellous addition to collections of allied literature. Contents include: “The Mediums Used in Painting”, “The Written Evidence on Early Painting Methods in Oil”, “Wood Panels and Canvases”, “The Pigments Used in Painting (contd.)”, “The Behaviour of White Light”, “Colour and the Prism”, “Linseed Oil, Walnut Oil, and Poppy Oil”, “How to Paint Oil Pictures”, etc. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new the original text and artwork.

Alice in Quantumland
Robert Gilmore 1995-07-21
In this cleverly conceived book, physicist Robert Gilmore makes accessible some complex concepts in quantum mechanics by sending Alice to Quantumland-a whole new Wonderland, smaller than an atom, where each attraction demonstrates a different aspect of quantum theory. Alice unusual encounters, enhanced by illustrations by Gilmore himself, make the Uncertainty Principle, wave functions, the Pauli Principle, and other elusive concepts easier to grasp.

Scalping is Fun!
Heikin Ashi Trader 2015-07-02
Scalping is Fun! part 1
Fast Trading with the HEIKIN Ashi charts
Scalping is the fastest way to make money in the stock market. There are no other methods that can increase the capital of a trader more effectively. To explain how this is so, the Germany based HEIKIN Ashi Trader tells all in this e-book, the first of a four-part series on scalping. His method is very easy to understand and can be applied immediately because it is universal and works in all markets. To scalp, the HEIKIN Ashi ashi HEIKIN Trader uses charts, which are a type of ancient Japanese charts that vividly depict the course of stock market prices. HEIKIN Ashi charts have the ability to visualize trends more clearly than the usual candlestick charts. In addition, they also show consolidation and reversal patterns earlier than any other chart representation. This highly effective scalping strategy can be applied in very short time frame, as in the 1-minute chart as well as on higher time frames. You can trade with this universal method in equity indices and in the currency markets, but the most common instruments are futures or forex pairs. content: 1. Welcome to scalping. It's fun! 2. How do markets function? 3. What is trading? 4. What is scalping? 5. The HEIKIN Ashi charts 6. The scalping setup 7. Risk and Money Management 8. Make a decision!

A Natural Approach to Mathematics
Harold W. Clayton 1978

Business Forecasting
John E. Hanke 2014-02-12
This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For undergraduate and graduate courses in Business Forecasting. Written in a simple, straightforward style, Business Forecasting, 9th Edition presents basic statistical techniques using practical business examples to teach readers how to predict long-term forecasts.

When Worlds Collide in Manufacturing Operations
Charlie Gifford 2011
Book 2.0 is the second collection of public methodology white papers from the ISA-95/MESA Best Practices Working Group. The methodology white papers focus on applying the ISA-95 standards to accelerate the adoption of Manufacturing Operations Management (MOM) systems and the Manufacturing 2.0 Architecture (Mfg 2.0) approach. There is a focus on how to build a Manufacturing Transformation Strategy where manufacturers discover that using MOM systems combined with continuous improvement methods dramatically accelerate transformation and time-to-benefit. The business benefits from optimizing operations are realized by structuring plant workflows in ISA-95 models as a common definition foundation for Mfg 2.0 architecture. This enforces effective data structure, definition, integrity and governance across manufacturing applications. Book 2.0 explains how to implement ISA-95 workflow applications in Mfg 2.0 to execute operations tasks through the MOM and physical process levels while coordinating them to streamline plant operations and align those operations with ever-changing supply chain processes.

Directors Tell the Story
Bethany Rooney 2016-04-14
Move over, movies: the freshest storytelling today is on television, where the multi-episodic format is used for rich character development and innovative story arcs. Directors Tell the Story, Second Edition offers rare insight and advice straight from two A-list television directors whose credits include NCIS, NCIS New Orleans, Nashville, Criminal Minds and many more. Here, in one volume, learn everything you need to know to become an excellent director, not merely a good one. Covering everything through prep, shoot, and post, the authors offer practical instruction on how to craft a creative vision, translate a script into a visual story, establish and maintain the look and feel of a television show or film, lead the cast and crew, keep a complex operation running on time and on budget, and effectively oversee editing and post-production. Directors Tell the Story provides behind-the-scenes access to the secrets of successful directors, as well as exercises that use original scripted material. This newly updated edition features: All-new "From the Experts" sections with insider info known only to working professionals
Profiles of top film and TV luminaries with advice and tips
Additional „How I Got My First Job” stories from directors currently in the trenches
Useful instruction to help you put directing techniques into practice
A companion website featuring directing tutorials and video interviews with the authors
Bethany Rooney has directed over two hundred episodes of prime-time network shows, including NCIS, The Originals, Nashville, NCIS New Orleans, and Criminal Minds. She teaches the Warner Brothers Directing Workshop and serves on numerous committees at the Directors Guild of America. Mary Lou Belli is a two-time Emmy Award winning producer, writer, and director as well as the author of two books. She directed NCIS New Orleans, Monk, Hart of Dixie, The Game, Girlfriends, and The Wizards of Waverly Place. She teaches directing at USC’s School of Cinematic Arts.

John Von Neumann, 1903-1957

Agricultural Investment and Productivity in Developing Countries
Food and Agriculture Organization of the United Nations 2001
The purpose of this book is to provide an overview of current thinking and findings about the relationship between agricultural investment and productivity in developing countries. This includes theoretical and methodological developments such as incorporating natural resource depletion in calculating measures of growth. It also looks at the relationship investment and productivity and factors such as land policy, debt, civil unrest and structural adjustment programmes. An area of concern is that a lack of information hampers the assessment of sustainability of agricultural and rural development.

Crafting and Executing Strategy
Arthur A. Thompson 2005
Presenting the most recent developments in research and strategy, this text applies these theories and illustrates their implementation in business cases.

Victorious Eschatology
Dr. Harold R. Eberle 2020-10-01
A biblically-based, optimistic view of the future. Along with a historical perspective, this book offers a clear understanding of Matthew 24, the Book of Revelation, and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet!

Projective Psychology
Lawrence Edwin Abt 2012-05-01
Contributing Authors Include Robert M. Lindner, Ruth L. Munroe, M. R. Harrower, And Many Others.

The Journey
Billy Graham 2007-09
Billy Graham is respected and loved around the world. And this work is his magnum opus, the culmination of a lifetime of experience and ministry! Chapter by chapter, Graham leads us on a journey in faith. We learn about God and his purpose for our lives; who Jesus is and what he has done for us. We are reminded of the things God has given us to live successfully: the Bible, the privilege of prayer, fellowship and the church, and the Holy Spirit. We learn to deal with challenges along the way: temptation, wrong thoughts and motives, emotions that can defeat us, habits that destroy our spirit, and what to do when life turns against us. And we are given practical advice on knowing God’s will, making right decision, strengthening our marriages, being wise parents, and using our gifts to share Christ with others. With insight that only comes from a life spent with God, The Journey is filled with wisdom, encouragement, hope, and inspiration for anyone who wants to live a happier, more fulfilling life.

Manual for Spiritual Warfare
Paul Thigpen 2014
A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to “fight the good fight of the faith” (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.

A Writer's Guide to Characterization
Victoria Lynn Schmidt 2012-08-27
Develop compelling character arcs using the power of myth! In the best novels, characters undergo dramatic changes that keep readers turning pages. A Writer's Guide to Characterization shows you how to develop such meaningful character arcs in your own work—stories of transformation that will resonate with readers long after the story ends. In this comprehensive guide, author Victoria Lynn Schmidt examines cross-cultural archetypes to illustrate how they can make your work more powerful and compelling. Plus, you'll learn how to draw from Jungian psychology to add complexity and believability to your characters. Schmidt also provides: 40 lessons on character development (with examples from well-known films and novels) that you can apply to your own work
Questionnaires and exercises to help you select male and female archetypes and adapt them to your story
15 classic animal archetypes (including the coyote, snake, tiger, and butterfly) you can use to build convincing character profiles
With A Writer's Guide to Characterization, you'll have the information you need to infuse the development of your characters with drama and authenticity.

Yoga for Cancer
Tari Prinster 2014-11-24
Using yoga to manage the challenges of cancer and its treatment • Explains how to create a safe home yoga practice that addresses the specific physical needs, risks, and emotions of cancer patients and survivors • Includes 53 yoga poses and 9 practice sequences that use movement and breathing to reduce and manage treatment side effects • Reveals how current research supports the physical and psychological benefits of yoga to aid recovery and reduce risk of recurrence • Written by a cancer survivor and certified yoga teacher
For those faced with a cancer diagnosis and the journey of doctor-led surgery and treatments, yoga offers a way to regain control of your body and take an active part in your recovery and long-term health. In this easy-to-follow illustrated guide, yoga teacher and cancer survivor Tari Prinster presents 53 traditional yoga poses that are adapted for all levels of ability and cancer challenges. She then applies the movements and breathwork of these poses to address 10 common side effects and offers 9 practice sequences for varying stages of treatment and recovery. Sharing her own story as well as those of cancer survivors and yoga teachers with whom she has worked, Prinster explores how yoga can be used to strengthen the immune system, rebuild bone density, avoid and manage lymphedema, decrease anxiety, detoxify the body, reduce pain, and help the body repair damage caused by the cancer and conventional treatments. She reveals the research that supports the physical and psychological benefits of yoga as an aid to recovery and in reducing the risk of recurrence. Explaining how yoga must be tailored to each survivor, Prinster gives you the tools to create a safe home yoga practice, one that addresses your abilities, energy level, and overall health goals. Through personal stories, well-illustrated poses, and sample practices for beginners as well as experienced yoga practitioners, Prinster empowers survivors to create their own wellness plan in order to regain their independence and their physical and emotional well-being.
