Bible. O.T. Reading the Old Testament

Lawrence Boadt 1984

Moses Joel Cohen 2003 The figure of Moses towers over the cast of saints and sinners who fill the story of God's salvation in the Jewish Scriptures. He is the primary leader of the Israelites in their Exodus from Egypt and during their wanderings in the wilderness from the Sinai to the Promised Land. He is their great prophet and lawgiver. From his beginnings in a basket amid the reeds of the Nile to the revelation at the Burning Bush, from the parting of the Red Sea to the receipt of the Tablets of the Law and the destruction of the Golden Calf, Moses plays the most central role in the biblical narrative. But while the biblical testimonies and legends attempt to explain Moses, he never explains himself. What was Moses thinking? How did Moses perceive the events that surrounded and influenced him? Did he reflexively follow God's orders, or did he have second thoughts? Who really was this mysterious and complex man, this great biblical figure? Providing a delightfully human touch to the sacred account of unprecedented divine action in history, *Moses: A Memoir* lets us rediscover the power of the drama as it moves from Exodus to Deuteronomy, and appreciate anew the Bible's view of Moses and his soaring accomplishment. Book jacket.

Primer on Biblical Methods Corrine L. Carvalho 2009 Primer on Biblical Methods introduces students to the Scriptures, major methods of scriptural interpretation, and key forms of scriptural analysis. Each chapter

includes exercises for students to practice a specific method, applying it to both Old and New Testament examples. Chapters may be used in tandem or alone, allowing instructors to choose the material most useful to them.

The Song of Solomon Lawrence Boadt 1999 With an introduction by John Updike, this in-depth look at the only book in the Bible with erotic love as its theme celebrates spiritual passion and also reproduces the whole book in the classic King James version of 1611. Original.

A Catholic Introduction to the Bible: The Old Testament John Bergsma Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps,

illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.

God and His Image Jean-Dominique Barthelemy 2007 Fr. Barthelemy was an internationally recognized expert on Old Testament studies, and a member of the Pontifical Biblical Commission. In this work he dispenses with the technical language of exegesis and linguistics, and speaks theologically as a priest, a teacher, a believer. This work is an introduction to the spiritual teaching of the Old Testament, and can greatly help believers to hear that renewing and rejuvenating Word of God with deepened understanding. This is a book about God and man. It is also about the long history of God's search for man and the difficulty man had in keeping intact the divine image in which he was created. The purpose of this book is to present what God says about Himself and about His image (man) in the inspired texts of Scripture. This powerful work by an acclaimed Biblical and spiritual writer can enkindle the heart and enlighten the mind of modern man to see who we truly are in God's eyes, and help us to understand the full extent of our deep need for God to become his faithful followers and images once again.

Pastoral Essays in Honor of Lawrence

Boadt, CSP Lawrence Boadt 2013

Introduction to Wisdom Literature,

Proverbs Lawrence Boadt 1986 The Complete text of each biblical book is given, with the commentary on the same or facing page. Review aids and discussion topics make the series practical and useful for individual or group Bible study.

The Meaning of the Bible Douglas A. Knight 2011-11-08 In *The Meaning of the Bible: What the Jewish Scriptures and Christian Old Testament Can Teach Us*, preeminent biblical scholars Douglas A. Knight and Amy-Jill Levine deliver a broad and engaging introduction to the Old Testament—also known as the Tanakh or Hebrew Bible—offering a wealth of compelling historical background and context for the sacred literature that is at the heart of Judaism and Christianity. John Shelby Spong, author of *Re-*

Claiming the Bible for a Non-Religious World writes, "Levine and Knight have combined to write a book on the Bible that is as academically brilliant as it is marvelously entertaining. By placing our scriptures into their original Jewish context they have opened up startling and profound new insights. This is a terrific book."

The Holy Spirit John Bevere 2013-08-15 The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone—a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit.

Introduction to the Old Testament as Scripture

Brevard S. Childs 1979 This Introduction attempts to offer a different model for the discipline from that currently represented. It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel. It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed.

How Do Catholics Read the Bible? Daniel J. Harrington 2005 Do Catholics really read the Bible? If so, how do they read it and is there anything unique about their approach? What role does the Bible play in Catholic life, teaching, and culture? As a leading Scripture scholar who also teaches students and preaches to everyday people, Fr. Daniel Harrington, S.J., has made it his life's mission to answer these and many related questions about the Bible and its relationship to Catholic life. Accessibly written, *How Do Catholics Read the Bible?* blends biblical scholarship with compelling personal anecdotes to equip readers with the tools they need to more fully engage Scripture and the Catholic tradition. With chapters on how the Catholic canon came to be, what the Church teaches about the Bible, appropriate methods for analyzing Scripture passages, and how to incorporate the Bible into everyday life, this book is ideal for individual or group use in parishes and classrooms. Each chapter concludes with questions for reflection and recommendations for further reading.

The Book of Ezekiel, Chapters 1-24 Daniel I. Block 1997-08-26 A study of the first half of the

biblical book of Ezekiel with commentary on what his message could mean for the church in the twentieth century.

[The Composition and Redaction of the Book of Amos](#) Tchavdar S. Hadjiev 2009-03-26 This Oxford dissertation offers a detailed analysis of the text of the Old Testament book of the prophet Amos and attempts to reconstruct the process of its composition. It looks into the probable historical circumstances in which the prophetic oracles were collected and edited and seeks to show how the prophetic message lived on and spoke to the various communities which preserved and transmitted it.

Genesis Joan E. Cook 2016-12-01 In the ongoing debate over the when and how our universe began, Genesis chooses to answer the theological question, "Who set in motion the beginning of the heavens and the earth?" Once that question is answered by vivid and memorable stories, the focus moves to ancestral stories that identify the roots and early branches of the Jewish family tree. This same tree grows in Christian settings as the matriarchs and patriarchs of Genesis appear over and over again in New Testament writings. Given the growing interest in family genealogies, in this commentary Joan Cook leads us to appreciate and delight in our ancient and awesome spiritual heritage as well. We should not be surprised, however, to discover that our earliest spiritual kith and kin were guilty of deceit, marital infidelity, jealousy, and murder. But readers will learn that the God who created the heavens and the earth is also a forgiving and protective God—the God of ancient time, of our time, of all time. Joan E. Cook, SC, teaches Scripture at Georgetown University in Washington, DC. She is author of *Hannah's Desire, God's Design* (Sheffield Academic Press, 1999) and *Hear, O Heavens and Listen, O Earth: An Introduction to the Prophets* (Liturgical Press, 2006), which won a first-place Catholic Press Association award in 2007. Cook has also written numerous articles on biblical women and biblical prayer. Also available with Little Rock Scripture Study

An Introduction to the New Testament for Catholics Joseph F. Kelly 2016-03-24 The title of this book may be a bit puzzling 'a Catholic introduction to the New Testament? The New Testament belongs to all Christians, and the

modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations. But there are questions and issues in the New Testament that are specific to Catholics, such as the portrayal of Jesus' mother Mary, the commissioning of Peter, and the Trinity. In this volume, Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the Bible. It's a book that Catholic teachers can use rather than a book that presents them with problems they have to explain. Kelly helps readers to understand what modern scholars, especially Catholic biblical exegetes, say about the individual books because we cannot understand what role Jesus can play in modern life if we don't understand what he meant to the earliest Christians. The New Testament tells the story of Jesus, the most remarkable person who ever lived, and of his disciples. It includes some of the most famous narratives in the world and the most memorable words ever spoken. It introduces us to great people who moved history and of those who took the difficult step of leaving the religions of their ancestors and families to become Christians. Kelly shows that in looking at the New Testament we see real people communicating with us 'sharing their beliefs, their fears, and their hopes. Distant yet familiar, challenging yet comprehensible, the New Testament is a precious heritage, and one that Kelly recommends we must make our own. Joseph F. Kelly, PhD, is professor of religious studies at John Carroll University in Cleveland, Ohio. He is the author of *The World of the Early Christians*, *The Problem of Evil in the Western Tradition*, *Responding to Evil*, *The Origins of Christmas* and *The Collegeville Church History Time-Line* published by Liturgical Press.

God's Word to Israel Joseph Jensen, OSB 2021-03-15 While many Christians recognize the abiding value of the Old Testament as God's Word they stay away from studying it because they see it as a difficult and forbidding subject. In this completely revised and expanded edition of *God's Word to Israel* Joseph Jensen incorporates the latest scholarship using a combination of the historical, literary, and thematic approaches to present a unified treatment—one that with even a modest degree

of effort will produce rich rewards. By selecting the most important matters, rather than attempting to cover every aspect of the Old Testament message, Jensen has given them the space and emphasis they deserve.

The Epic of Eden Sandra L. Richter 2010-01-28 Does your knowledge of the Old Testament feel like a grab bag of people, books, events and ideas? Sandra Richter gives an overview of the Old Testament, organizing our disorderly knowledge of the Old Testament people, facts and stories into a memorable and manageable story of redemption that climaxes in the New Testament.

The First Book of Moses, Called Genesis 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Jesus of Nazareth Gerhard Lohfink 2012-10-01 Who was Jesus? A prophet? There have been many of those. A miracle-worker? A radical revolutionary? A wise teacher? There have been many of these, too. In his latest book, renowned Scripture scholar Gerhard Lohfink asks, What is unique about Jesus of Nazareth, and what did he really want? Lohfink engages the perceptions of the first witnesses of his life and ministry and those who handed on their testimony. His approach is altogether historical and critical, but he agrees with Karl Barth's statement that "historical criticism has to be more critical." Lohfink takes seriously the fact that Jesus was a Jew and lived entirely in and out of Israel's faith experiences but at the same time brought those experiences to their goal and fulfillment. The result is a convincing and profound picture of Jesus.

The Bible Documents David Lysik 2001 "This is a collection of the church's most important contemporary documents on the scriptures. This

book gathers together church teachings to guide our reflection on the nature of the scriptures, their interpretation and their application to our times. [from back cover]

The Book of Joshua Marten Woudstra 1981-03-27 This premier commentary series enjoys a worldwide readership of scholars, pastors, priests, rabbis, and serious Bible students. They eagerly consult in high-quality volumes to inform their preaching, teaching and academic research, and they warmly welcome each newly published volume as they would an encounter with a stimulating new friend. Through the rigorous yet reverent study contained in these commentary volumes, readers hear afresh the voice of the living God speaking his powerful word.

An Introduction to the Old Testament, Third Edition Walter Brueggemann 2021-01-05 In this updated edition of the popular textbook *An Introduction to the Old Testament*, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this new edition also includes concrete tips for doing close readings of the Old Testament text, and a chapter on ways to read Scripture and respond in light of pressing contemporary issues, such as economic inequality, racial and gender justice, and environmental degradation. This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts.

Getting the Old Testament Steven L. Bridge 2009-07-01 As readers of texts written in antiquity we frequently find ourselves in the position of one who overhears a conversation without the benefit of its context. The likelihood of humorous (or tragic) misunderstanding is palpable. In *Getting the Old Testament: What It*

Meant to Them, What It Means for Us, Steve Bridge examines a number of important texts and genres found in the Old Testament. By bringing what is known of their original historical and literary context to light, he clearly demonstrates how important it is to know the cultural background of those to whom a text was originally addressed. Bridge helps us as modern readers to grasp the intended significance of these ancient texts. Using modern illustrations from Bart Simpson to fortune cookies, and discussing texts from Genesis to Jonah to Ecclesiastes, Bridge succeeds in making difficult texts come alive for the reader as applying practically to modern life. Each chapter begins with a story, event, or illustration that draws the reader into the point which Bridge wishes to make with regard to the clearest understanding of a particular text or given group of texts. The most poignant of these illustrations is found at the beginning of his chapter on the book of Job, in which he starts with the story of Lou Gehrig and the disease that took his life, ALS (known more commonly as Lou Gehrig's Disease) and which ends with his own father's death from ALS. An annotated list of suggested readings as well as subject and scripture indexes make this a practical book for college classes.

A Survey of the Old Testament Andrew E. Hill 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary, historical, and theological issues of each Old Testament book and of the Old Testament as a whole. This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers. A redesigned interior complete with new visuals--maps, photos, timelines, and charts--makes this book more attractive and useful than ever. Treating the books of the Old Testament in the order of the English canon, *A Survey of the Old Testament* explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author. The book also introduces the reader to issues such as Israelite and Near Eastern history, archaeology, the formation of the canon, and geography. Written by two widely respected scholars and educators, *A Survey of the Old Testament* is designed to help readers

develop a broad grasp of the Old Testament.

Old Testament Turning Points Victor H. Matthews 2005-11-01 Well-respected Old Testament professor Victor Matthews identifies eight landmark stories that shaped Israel's identity.

Reading the Old Testament: Introduction to the Hebrew Bible Barry L. Bandstra 2008-07-02 Teach your students how to read the Hebrew Bible and mine the rich Biblical text for significant literary, historical, and thematic meanings with this bestselling introduction to the Old Testament. Written by leading scholar Barry Bandstra, **READING THE OLD TESTAMENT: INTRODUCTION TO THE HEBREW BIBLE**, Fourth Edition combines engaging, conversational prose, visual elements such as maps, timelines and artwork, and innovative technology. The book actively applies recent literary, rhetorical, and structural studies that shed light on art, design, coherence, characterization, theme, and other literary features of the Hebrew Bible. Marginal call-outs connect the text to technology resources for the strong Old Testament introduction your students need. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Jeremiah 1-25 Lawrence Boadt 2008-12-15 Reverend Lawrence Boadt, C.S.P., S.S.D., is President and Publisher of Paulist Press in Mahwah, New Jersey, and Professor Emeritus of Scripture Studies at Washington Theological Union in Washington, D.C. and author of *Reading the Old Testament: An Introduction*. The Torah David J. Zucker 2005 As a chapter-by-chapter introduction to the Torah (the Pentateuch, or the first five books of the Bible), this work provides an excellent source for interfaith study of the Five Books of Moses; it provides a wealth of representative examples of the Torah in the Christian scriptures and in the rabbinic teachings of the midrash and the Talmud. There are sections on the Torah as a source of inspiration, its place in the ritual and prayer life of the synagogue, the term "Old Testament," and how the divisions of the Hebrew Bible compare to standard Christian editions of the Bible. In addition, major chapters are devoted to Genesis, Exodus, Leviticus, Numbers,

and Deuteronomy. Each of these chapters is subdivided into the following sections: An introductory overview including diverse highlights of the particular book, A literal chapter-by-chapter description of the book, Representative quotations of that particular book within the Christian scriptures, Representative quotations of that particular book within the rich teachings of rabbinic literature; and finally, A special section of text study with notes for suggested readings. Other topics include a brief historical overview of the biblical period, the place of women in the Bible, who wrote the Torah, the development of Jewish law, the Torah in Jewish life, the Torah in Christian life, and what the Torah says about life today. Book jacket.

Reading the Old Testament Lawrence Boadt 1984

On the Reliability of the Old Testament K. A. Kitchen 2006-06-09 Draws upon a wide range of historical sources to examine the factuality of the Old Testament, arguing that the Bible's stories are firmly based on fact and refuting evidence from modern scholars who claim otherwise.

Reading the Old Testament Lawrence Boadt 2012 Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament.

The Meaning of the Pentateuch John H. Sailhamer 2010-06-18 Persuaded of the singular vision of the Pentateuch, Old Testament professor John Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work. By paying particular attention to the poetic seams in the text, he rediscovers a message that surprisingly brings us to the threshold of the New Testament gospel.

The Old Testament: A Very Short Introduction Michael D. Coogan 2008-03-28 This Very Short Introduction provides a short, accessible overview for general readers interested in learning more about the Old Testament and its interpretation. Coogan explores the significance of the history and literature of the Old Testament and describes how non-biblical evidence, such as archaeological data and texts, has illuminated the Old Testament in a larger context. Coogan discusses law in the Bible,

particularly the Ten Commandments and the biblical understandings of prophecy, myth, exodus, death, and afterlife. Finally, Coogan discusses the enduring significance of the Old Testament.

A Brief Introduction to the Old Testament

Michael D. Coogan 2015-09-15 "This is a shorter version of Coogan's *The Old Testament*, for instructors who prefer a more concise textbook. Acclaimed for its balance, readability, and scholarship, it introduces students to the biblical books in their historical contexts. Coogan draws on his extensive knowledge and experience to incorporate into the text ancient Near Eastern sources and archaeological data that enhance the understanding of the Bible. The primary methodology is thus historical-critical, but Coogan also introduces students to other interpretive strategies, including current ones. The many charts, photographs, line drawings, and maps are fully integrated into the text, as is the color inset that deals with Jerusalem in biblical times. Strategically placed informational boxes deal in detail with issues that often puzzle readers of the Bible, provide models of interpretation of particular texts, and discuss their significance for Judaism and Christianity. Important names and terms are highlighted in the text, and are defined in the glossary in the back"--

Imagery and Imagination in Biblical Literature Aloysius Fitzgerald 2001 This festschrift honors Aloysius Fitzgerald, F.S.C. The essays largely reflect the honoree's interests in the poetic and prophetic material of the Hebrew Bible and the ancient Near Eastern context of that material. The volume includes an introduction by Joseph Jensen, O.S.B. (pp. vii-ix) and the following articles: Leslie J. Hoppe, O.ftM., "Vengeance and Forgiveness: The Two Faces of Psalm 79" (pp. 1-22); Mark S. Smith, "The Poetics of Exodus 15 and Its Position in the Book" (pp. 23-34); Susan F. Mathews, "The Power to Endure and Be Transformed: Sun and Moon Imagery in Joel and Revelation 6" (pp. 35-49); Gregory J. Polan, O.S.B., "Zion, the Glory of the Holy One of Israel: A Literary Analysis of Isaiah 60" (pp. 50-71); Maribeth Howell, O.P., "A Closer Look: Isaiah 35:110" (pp. 72-80); Mark D. Futato, "Sense Relations in the 'Rain' Domain of the Old Testament" (pp. 81-94); John J. Ferrie, Jr.,

"Singing in the Rain: A Meteorological Image in Isaiah 42:10-12" (pp. 95-104); Irene Nowell, O.S.B., "Psalm 88: A Lesson in Lament" (pp. 105-18); Dale Launderville, O.S.B., "Anti-monarchical Ideology in Israel in Light of Mesopotamian Parallels" (pp. 119-28); Edward G. Mathews, Jr., "Water in the First Creation Account of Genesis I in the Commentary on Genesis of Ephrem the Syrian" (pp. 129-44); Deirdre Dempsey, "The Verb Syntax of the Idol Passage of Isaiah 44:9-20" (pp. 145-56); Alice Ogden Bellis, "The New Exodus in Jeremiah 50:33-38" (pp. 157-68); Lawrence Boadt, C.S.P., "Re-Examining a Preexilic Redaction of Isaiah 1-39" (pp. 169-90).

Reading the New Testament Pheme Perkins 1988 Discusses the history and nature of the New Testament, provides outlines of each book and information on archaeological discoveries, and shares an interpretation of the Scriptures. *Jeremiah 26-52, Habakkuk, Zephaniah, Nahum* Lawrence Boadt 1982

Jesus, Interrupted Bart D. Ehrman 2009-03-03 The problems with the Bible that New Testament scholar Bart Ehrman discussed in his bestseller *Misquoting Jesus*—and on *The Daily Show* with John Stewart, NPR, and *Dateline NBC*, among others—are expanded upon exponentially in his

latest book: *Jesus, Interrupted*. This New York Times bestseller reveals how books in the Bible were actually forged by later authors, and that the New Testament itself is riddled with contradictory claims about Jesus—information that scholars know... but the general public does not. If you enjoy the work of Elaine Pagels, Marcus Borg, John Dominic Crossan, and John Shelby Spong, you'll find much to ponder in *Jesus, Interrupted*.

Introduction to the Hebrew Bible John J. Collins 2014-08-01 John J. Collins' *Introduction to the Hebrew Bible* is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike, and for good reason. Enriched by decades of classroom teaching, it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments. Collins proceeds through the canon of the Old Testament and the Apocrypha, judiciously presenting the current state of historical, archaeological, and literary understanding of the biblical text, and engaging the student in questions of significance and interpretation for the contemporary world. The second edition has been revised where more recent scholarship indicates it, and is now presented in a refreshing new format.
